Weitz

Applications Reviewed During the Meeting:

<u>Applicant Name / Address</u>	<u>Type / Applicant Representatives</u>	<u>HPC Decision</u>
Ridgewood Dosa House 22 Oak Street	Sign Manny Mawle - with the sign company - Signarama	Approved with changes
Larger letters will be drilled into façade and smaller letters will be 2" and glued to façade.		
Pizza by from Scratch 192 E. Ridgewood Ave.	Sign Anthony Caiafa - investor	Conditional Approval
Approved with color temperature of lights no more than 3500k. Anthony will send photos of the letters for the windows and a swatch of the paint color for the facade to Jane for HPC approval.		
Steel Wheel Tavern / High 51 North Broad Street	Sign None	Approved as submitted
Applicant did not appear. HPC approved two blade signs from the plans previously submitted. Lights cannot be more than 3500k color temperature. HPC requests the applicant be sure the signs are very well attached to the building due to the large size (30" x 30") of the signs.		

Other Matters

Minutes from November 10, 2025 approved.

HPC agreed to ask Village Council for funds to create signs for owners of buildings who have restored old Ridgewood homes.
