Fire Damages Car and Garage

A sedan owned by Theodore Weigand of 544 Fairway Road, Ridgewood, was damaged as was also the interior of a two-car garage of the Ridgewood Auto Body Shop at 264 South Broad Street, Ridgewood, at 10:20 o'clock Monday morning when fire broke out in the building.

An overheated oil stove, which had been lighted at 7:30 that morning by an employe of the shop, was blamed by firemen for causing the smoky fire. John Gerry, another employe discovered smoke issuing from the building and he called to his son, Ernest, who telephoned in the alarm to Ridgewood police headquarters.

When the firemen arrived at the scene, which is several hundred feet back from the street, smoke was billowing out from the building and for a few moments this heavy smudge gave the fire fighters a battle but they soon had hose lines hooked up and the fire was under control in a few minutes.

Confined To One Section

The unit in which the fire was centered is part of a long building but the firemen were able to confine the flames to the one section. As soon as the flames had been quelled the firemen rolled out the Weigand car which had been given a primary coat of paint but it was badly damaged inside and out by the combined heat and flames.

Chief Oliver Vance of the Ridgewood Fire Department said yesterday he had made no definite estimate of the damage, pending an evaluation by fire insurance representatives. In addition to the firemen Captain John Ayres and Patrolmen John Dros and Thomas Stapleton of the Ridgewood police were on hand to assist.

March of Dimes Opens in Village, Phillips Chairman

Organization for the March of Dimes in Ridgewood has been completed. Donald S. Phillips, general chairman for the Village, announced yesterday and the drive is already underway. Although no goal has been set, Mr. Phillips hopes to better last year's figure by a substantial sum.

Because of the long spell of bad weather the drive has been extended until February 15 and will go steadily forward from now until that date.

Dr. Frederick A. Raubinger, supervising principal of the local schools, has accepted the post of chairman for the schools and by means of coin boxes, the campaign will be carried on all next week in all the schools. For the business district John Sullivan has been named chairman and assisting him will be Charles Agel, Clifford Hoover, S. L. Knauer and Charles Stevens. A number of letters asking for contributions have also been mailed out and coin boxes have been placed in all the stores.

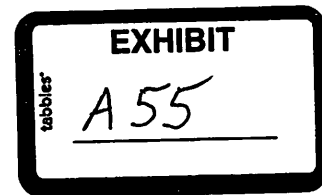

Half of the money raised, Mr. Phillips announces, will remain in the county for work here. Over \$25,000
