

DUMPSTER PERMIT

Please fill out the attached application completely

When you submit the completed application to the records department you will be asked to supply copies of any **construction permits** issued from the building dept.

You will also be asked for a **CERTIFICATE OF INSURANCE** from your insurance company listing The Village of Ridgewood as additionally insured. The **COI** can be faxed to 201 670 5574.

The cost for the dumpster permit is **\$50.00** with a **\$100.00** surety deposit. The surety deposit (\$100.00) will be returned to you after removal of the dumpster and inspection of the site.

We do not take debit or credit cards only cash or check; There is an ATM in our Village Hall lobby.

Please fill out the attached **voucher** (grey form) with the address on top (vendor) that you would like the deposit to be returned to and sign at the bottom (vendor signature).

The application could take 3 to five business days.

It is also strongly suggested that you look up or request a copy of the Village of Ridgewood Codes so you are familiar with the proper way to mark the dumpster for safety.

Chapter 133. Refuse Containers

[HISTORY: Adopted by the Village Council of the Village of Ridgewood 11-11-1986 by Ord. No. 2066; amended in its entirety 3-13-2019 by Ord. No. 3706. Subsequent amendments noted where applicable.]

GENERAL REFERENCES

Fees — See Ch. 145.

Garbage, rubbish, refuse and recycling — See Ch. 165.

Health and sanitation — See Ch. 172.

§ 133-1. Compliance required.

No person, as herein defined, shall place or permit to be placed in the Village of Ridgewood a refuse container or similar container commonly used for the collection of building materials, except in compliance with the provisions of this chapter.

§ 133-2. Definitions.

As used in this chapter, the following terms shall have the following meanings indicated:

ENFORCEMENT AGENCIES

The Department of Police of the Village of Ridgewood, the Department of Buildings and Inspections, or the Department of Public Works, Engineering Division.

LICENSING OFFICES

The Department of Police of the Village of Ridgewood or the Department of Buildings and Inspections.

NUISANCE

Any condition which is harmful to life or health or that which renders air, water, soil or any type of food hazardous or injurious to human life or health.

PERSON

Includes any person, firm, partnership, association, corporation, company, organization or entity of any type.

PRIVATE PROPERTY

Any real property located within the Village of Ridgewood which is not within the jurisdiction and control of the Village of Ridgewood or any other governmental agency.

PUBLIC AREA

Includes any street, sidewalk, highway, public lane, alley, Village parking lot or other public place in the Village.

- F. No refuse container in excess of 30 cubic yards shall be permitted in the Village of Ridgewood. The permit shall be issued for a specific period of time based on the estimate of the applicant at the time the application is filed.
- G. For refuse containers placed in the public areas, at the time the application is filed, each applicant shall furnish the Village of Ridgewood with a certificate of insurance containing limits of at least \$100,000/\$300,000 for bodily injury and \$100,000 for property damage, which shall name the Village of Ridgewood as an additional insured and which shall be noncancellable during the permit period.
- H. Each applicant for a permit to place a refuse container in a public area shall furnish the Village of Ridgewood with sufficient surety, to be determined by the Village Engineer, to guarantee against damage to the streets, curbs and sidewalks or other improvements in the public right-of-way.
- I. No refuse container shall be placed in a public area more than 24 hours prior to commencement of construction and shall not remain therein more than 24 hours subsequent to construction being completed.
- J. No permit shall be issued if the Department of Police determines that the issuance of a permit will constitute a danger to public safety or an unwarranted interference with the efficient movement of traffic.
- K. A permit may be revoked at any time during its term if the placement or use of a refuse container constitutes a hazard to the health, safety or welfare of the citizens of the Village or for any other reason constitutes a nuisance.
- L. The Village Manager may exempt from all but the safety requirement of this chapter any persons contracting with the Village.

§ 133-5. Location, placement and condition.

- A. No refuse container shall be placed in a public area in a residential zone unless it is determined by the Department of Police that there is not sufficient room on the private property of the person utilizing the refuse container to place said container and therefore, the refuse container is required to be placed in a public area. No refuse container placed on private property, shall impede the flow of pedestrian or vehicular traffic or safety site lines.
- B. Refuse containers may be placed in public areas only upon the determination the Department of Police that there is no safe or practical place where the refuse container may be placed other than in the public area.
- C. All refuse containers placed in public areas are required to comply with the following conditions:
 - (1) Planking or other wood sheeting of sufficient size is required to be placed under the wheels or road contact areas to protect the roadway from damage. If the refuse container has wheels, they must be chucked to prevent movement.
 - (2) Flashing, warning, amber, barricade-mounted lights are required to be placed on the refuse container to provide a visual warning to those utilizing the roadway or public right-of-way. The lights are required to be operable at all times.

- B. In the event the refuse container is not removed from the private property prior to the expiration of the permit, or in the event no permit has been issued, the Village shall have the right to remove the refuse container from the private property.
- C. Both the owner of the refuse container and the person requesting the refuse container on the private property shall be responsible for the cost of said removal.
- D. In addition to such other remedies as may be provided by law, the cost of removal, storage and any other cost incurred by the Village in connection with the removal of said refuse container shall constitute a lien upon the real property owned by the applicant for which the permit was requested.

§ 133-8. Violations and penalties.

- A. Each day that a refuse container remains on site in violation of this chapter, shall subject the applicant to penalties, with each day that the refuse container remains on site considered to be a separate violation of the provisions of this chapter.
- B. Any person found to have violated any provision of this chapter shall be subject to a minimum fine of \$250 per violation, not to exceed \$2,000.
- C. If any conditions/regulations are violated, the Village can revoke the permit and require its immediate removal.
- D. The regulations shall be enforced by the Village Police Department, the Department of Buildings and Inspections and the Department of Public Works, Engineering Division.
