PERMIT TERMS AND CONDITIONS

Permit fee is prorated by month if purchased later in the calendar year.

The permit hangtag must be displayed from the vehicle's rearview mirror when parked.

In addition, residents must display the annual Ridgewood Resident or Non-Resident Parking Sticker on the passenger window located behind the driver.

For flexibility, the permit can be used in up to 3 different vehicles, but NOT at the same time.

One permit allows the residents and non-residents to park in one parking space in specific parking lots or on certain levels of the Hudson Street Garage.

Copy of driver’s license and car registration required for each car listed on the application.

The applicant is responsible for all listed cars.

I understand the provisions of the Ridgewood Parking Permit, including the requirements to properly hang the permit placard from the rearview mirror when parked and to remove it before driving.

I agree that the Village of Ridgewood, the Ridgewood Parking Utility, as well as its employees, shall not be held liable for any loss or damage to me, my guests, anyone else or to the above described vehicles, their equipment or their content, occurring while said vehicles are parked in any of the parking lots or in the Hudson Street Garage, even if such personal injury or property damage is caused by negligence, actions, and/or inactions of the Ridgewood Parking Utility, its employees, or the Village of Ridgewood.

I agree to hold the Ridgewood Parking Utility, its employees, and the Village of Ridgewood harmless for any such claims.

I further understand that the Village of Ridgewood does not directly or indirectly guarantee, by issuance of this permit, that there will be a parking space available in the designated off street lots or in the Hudson Street Garage, and that the parking spaces are available on a “first come, first served” basis every day.

In addition, I understand that there is no guarantee a parking space will always be available in premium Village parking lots, such as the Train Station Lot, Hudson Street Garage, and Cottage Place Lot.

If the applicant is not the owner of the vehicle described above, he/she represents that this application is made with the knowledge and consent of the owner and that the owner is bound by the provisions thereof.

If for any reason the permit hangtag is lost, the replacement fee is \$100.
