FREE ADULT VACCINES

Bergen County Department of Health Services has implemented the Community Outreach Integrated Services Program. The Adult Vaccination Program offers free vaccines to all adults 19 years of age and older who reside, work, volunteer or attend school in Bergen County. This program is funded by the New Jersey Department of Health Office of Local Public Health.

Here are the available vaccines:

- Influenza (Flu)
- COVID-19 (2024-2025 Booster)
- Hepatitis A
- Hepatitis B
- Hepatitis A/B
- HPV (Human Papilloma Virus)
- Meningococcal
- MMR (Measles, Mumps and Rubella)
- Pneumococcal
- TD (Tetanus)
- TDAP (Tetanus, Diphtheria and Pertussis)
- Varicella
- Shingles (Zostavax)

***** If vaccine is not available, linkage to discounted vaccine price will be provided.**

*****If you need more information about this program, please contact Anny Castellon, RN or Linda Garcia at (201) 634-2843 or via email at acastellon@bergencountynj.gov or lgarcia@bergencountynj.gov. *****
