Chris,

There have been two collisions reported at that intersection over the last 10 years. The first involved a single vehicle colliding with a utility pole, and the second was a "slight accident" with no available data. Please let me know if you need anything else.

James D. Bigos #408
Ridgewood Police Department

Short notice request. Would the Traffic Bureau have any data on accidents at Leonard Place and South Broad Street? We have a meeting on this topic tonight.

Thanks,
